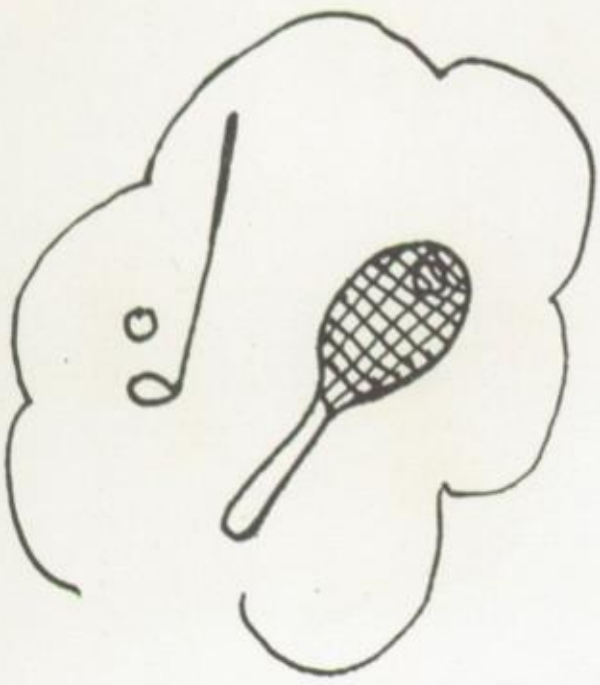
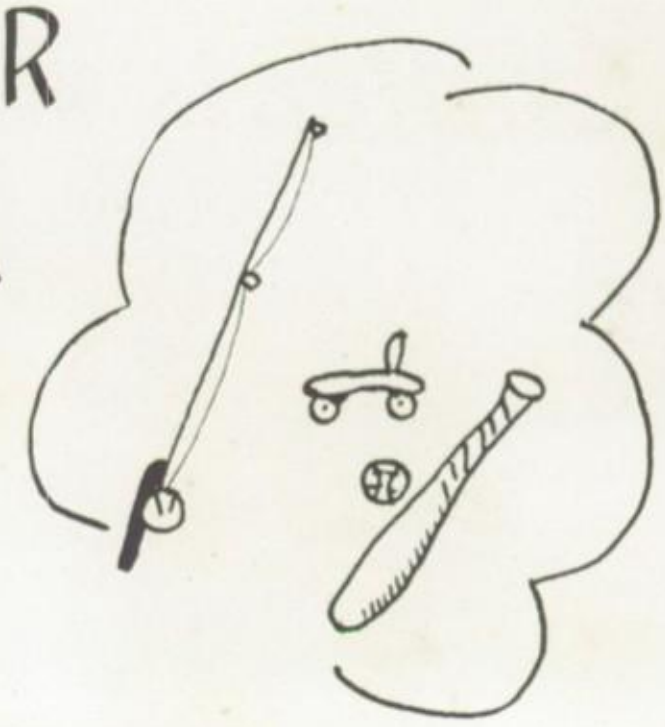
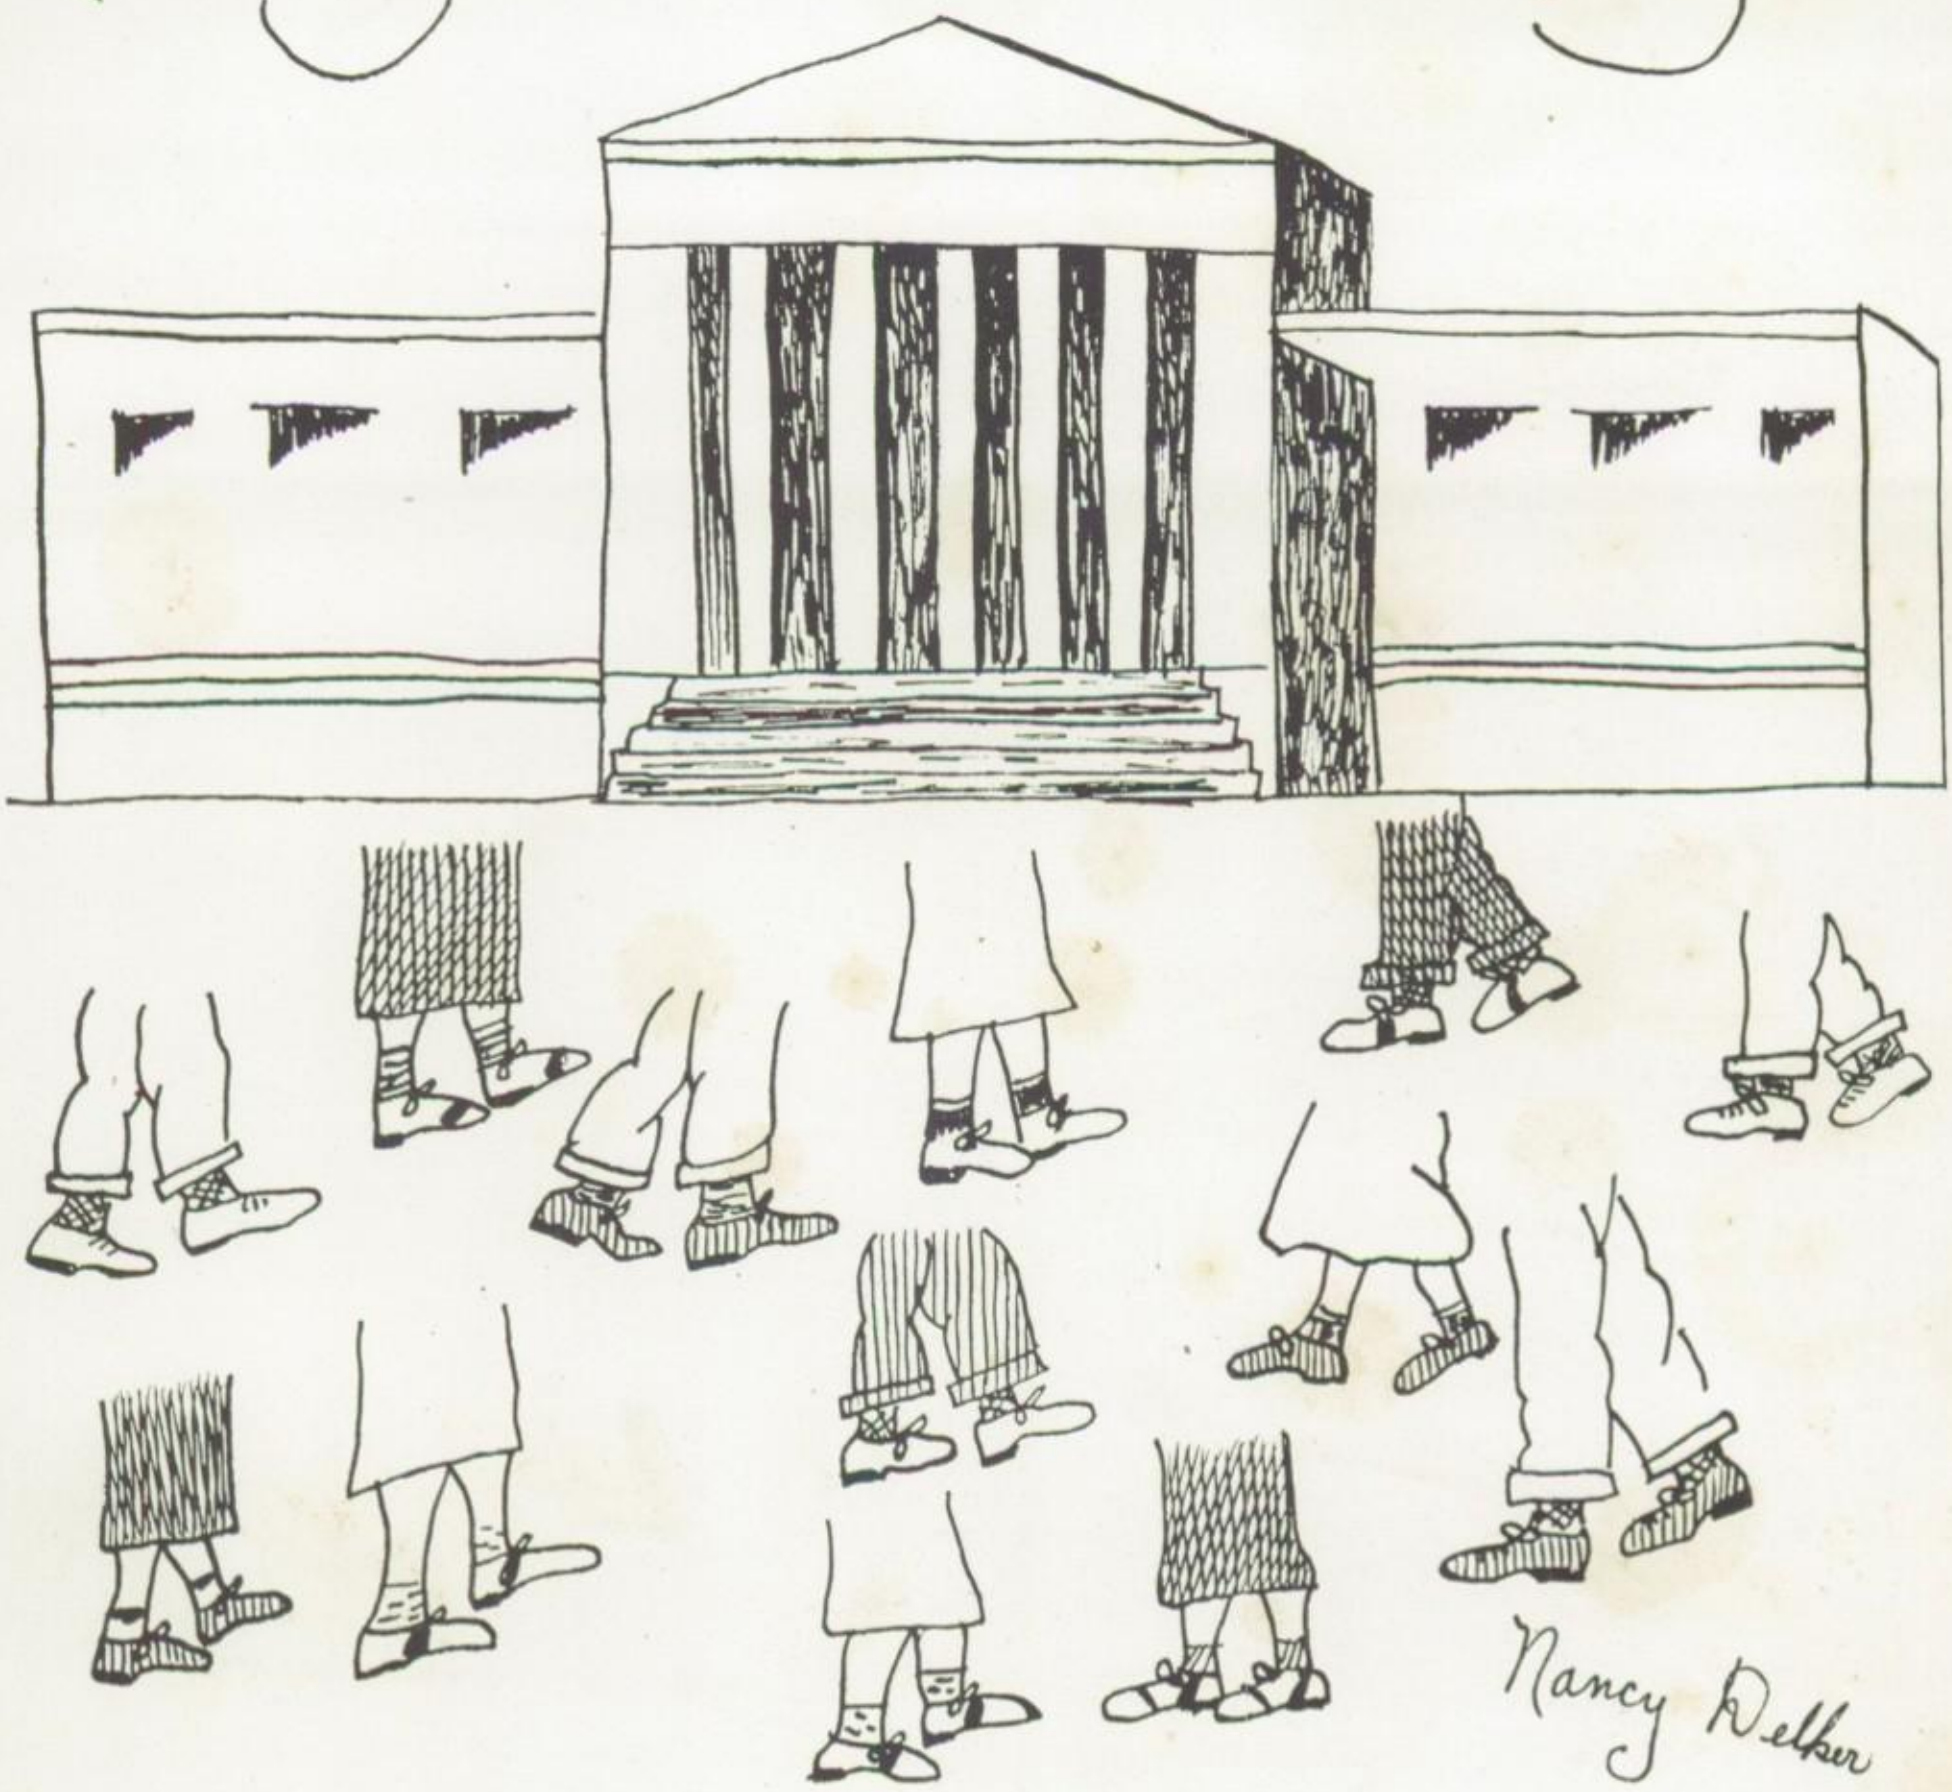
SEPTEMBER and OCTOBER







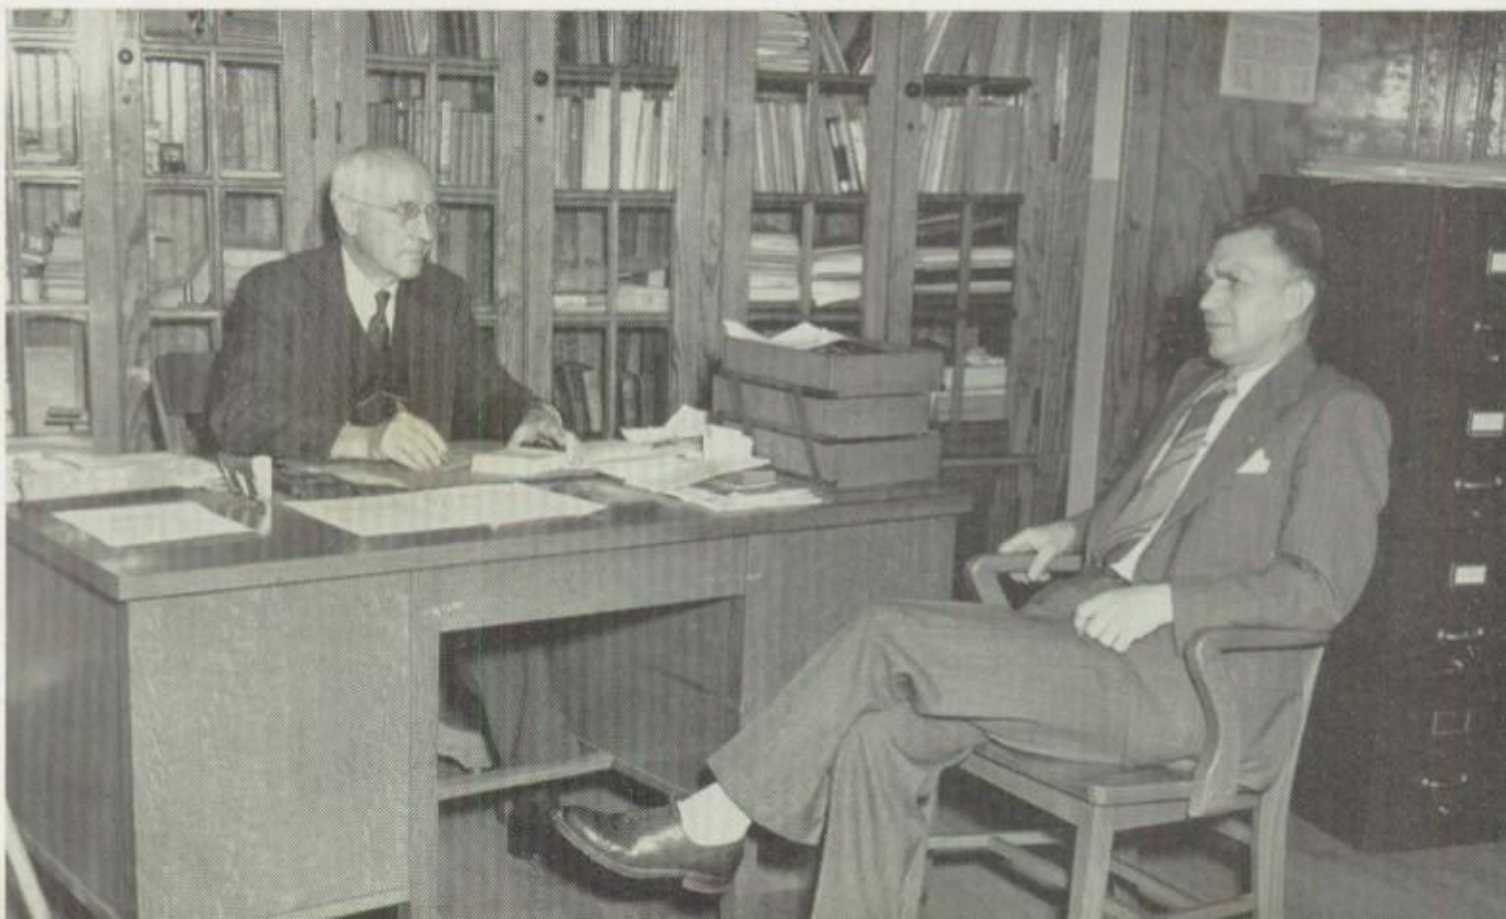
Nancy Delker

As we enter school our footsteps often pause and even falter here . . .

One of our proud possessions.

Clara hits the keys.

Serious thought involved.



Typical days in our classrooms . . .

This is the way we spend the first period of the day.

What comes next, Eleanor?

Do those big words refer to birds?

These freshmen *appear* to be studying.

What is he trying to prove, Fred?

It must be a sewing bee.

One down, five to go . . .

They have a big problem on hand.

Is that Trig., Ned?

Don't forget stamp day tomorrow.

Who is going to pin whom?

Don't forget the period at the end of the sentence.

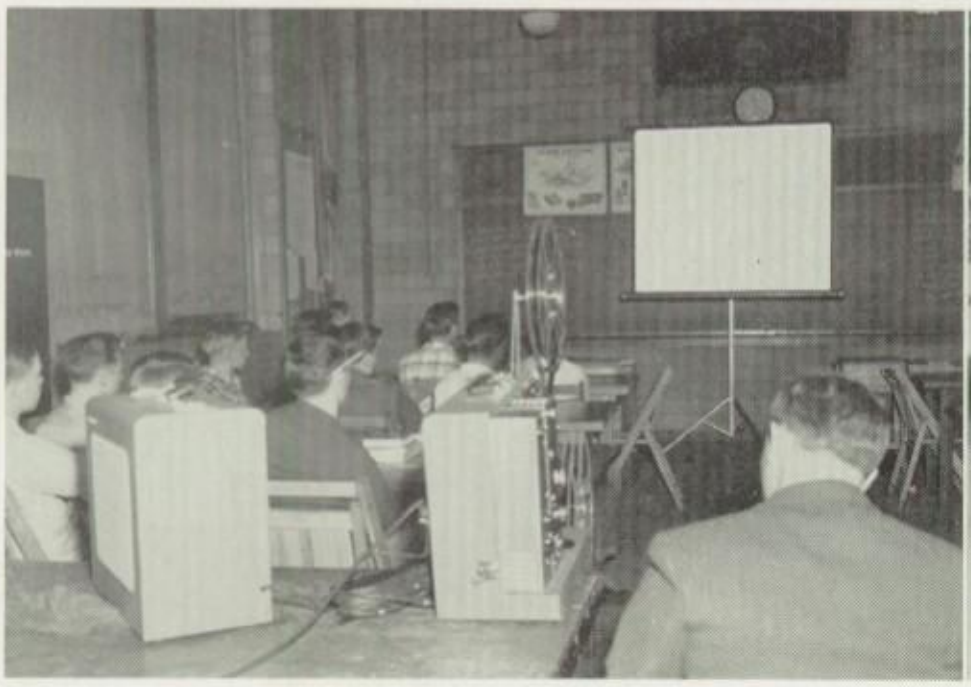
10:40— and all is well . . .

The road to intelligent voting.

Secretaries in the making.

As seen in Seventeen.

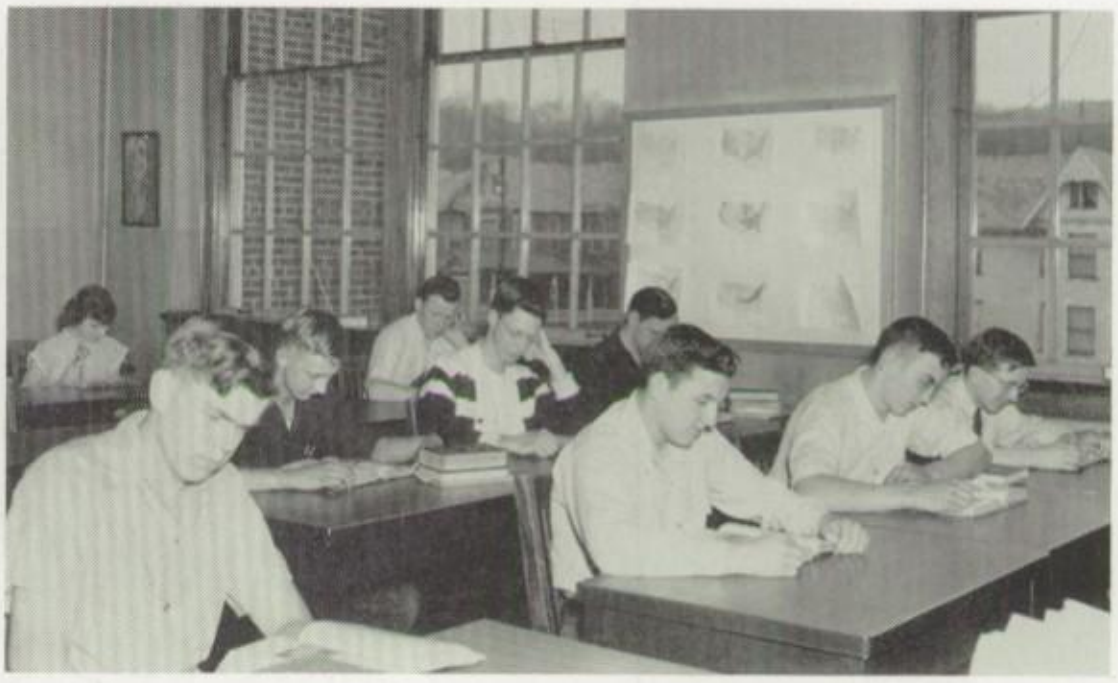
That period with the empty feeling—just before lunch . . .



Interesting, boys?

What's this?

A student teacher at work.



From the appearance of the maps, this must be Geography.

Now back to using the brain . . .

Everybody happy?

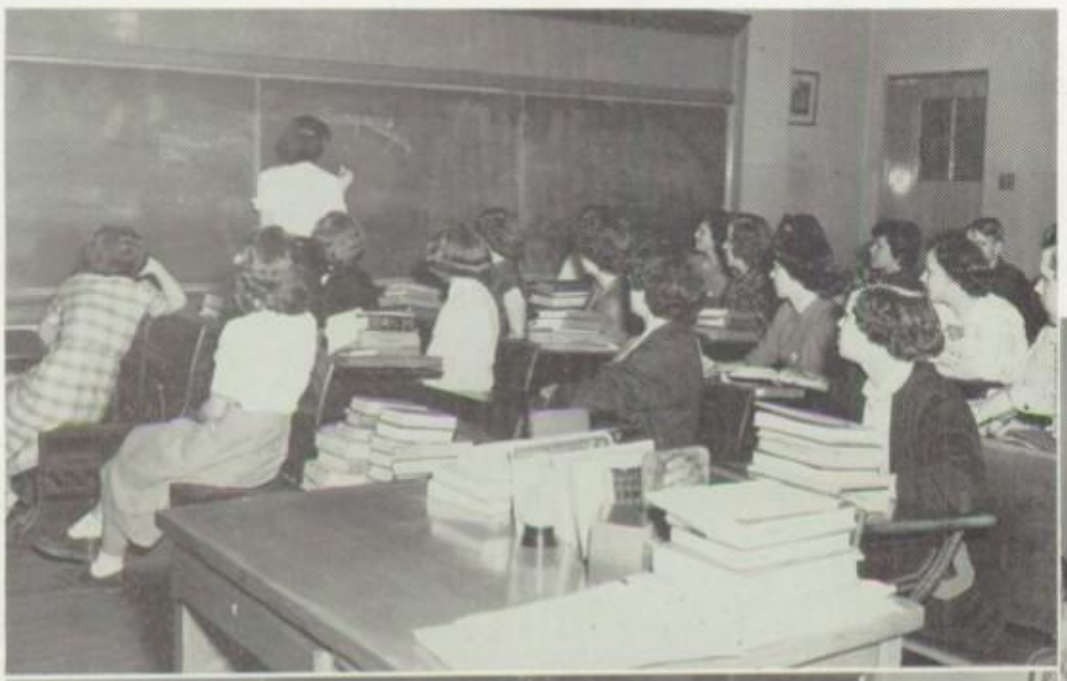
Such concentration. It must be a test.

One—two—three—four.

Last period . . .

Another day.

Another "A"?



Subject—Predicate—Modifier.

Videmus—laudatus esse.

Using some old gray matter.

I wonder if they
all sing bass?

They lead—we follow . . .

A great comeback for a green team! . . .

VARSITY FOOTBALL 1950

JERSEY SHORE 25 *Home* MONTOURSVILLE 6

The Bulldog Eleven started their season with a bang as they defeated their annual "first game" rival by a comfortable margin of 19 points. This game gave great promise for a team, which, having only one letterman from last year's undefeated squad, was said to be in for a bad year.

JERSEY SHORE 0 *Away* CLEARFIELD 13

This game, played on a muddy Bison field, was new to the Bulldogs' schedule. The Shoremen, against a team superior in size and experience, played their hardest right to the closing whistle.

JERSEY SHORE 6 *Away* LOCK HAVEN 19

Pre-game boasts, made publicly by Lock Haven coaches, said that the Bobcats would over-run the Bulldogs by a score of at least 88 to 0. The Purple and White got a big surprise when the game started. Even after the first string quarterback received injuries which put him out of the game, the determined Bulldogs gave the experienced team from the Big Island uncomfortably close competition.

JERSEY SHORE 20 *Home* RENOVO 0

The Shoremen, after a pair of successive defeats, re-found their winning ways by "tearing up the tracks" in front of the Railroaders. Although the score was not one-sided, the Bulldogs looked decidedly superior, showing wonderful team co-ordination.

JERSEY SHORE 20 *Home* DANVILLE 0

The Hartmen marked up another home victory, the second in a row, by a comfortable margin.

This victory made future opponents realize that, even though it was reported to be a weak and inexperienced team, the Orange and Black was still dangerous because of the ever present "will to win".

JERSEY SHORE 0 *Away* BELLEFONTE 21

The Bulldogs went into this game riding on the crest of a two-game winning streak, but as the game progressed, the Shoremen just couldn't get into high gear. When the smoke cleared over the opponents' field, the Bulldogs found that they had yet to win an away game.

JERSEY SHORE 13 *Away* SAYRE 6

This up-state team will long remember the Bulldogs, who, playing in their best form, dashed the hopes of the Sayre team by handing them their only defeat of the season. Sayre took this loss hard, since the defeat came from a team the Sayremen thought would give them their easiest game of the season.

JERSEY SHORE 21 *Home* BLOOMSBURG 0

With the scalp of an undefeated team on their belts, the Shoremen returned to their home field to defeat the Bloomsburg eleven easily. By so doing, the Bulldogs remained undefeated on their home field.

JERSEY SHORE 12 *Away* MILTON 13

The Shoremen lost this heartbreaking game by one point, when, in the final seconds of the game, they failed to put the ball over the line after driving deep into enemy territory. This was the closest and probably the hardest fought game of the season. This game found both teams giving their all to present an amazing display of brain, brawn, and skill.

JERSEY SHORE 13 *Home* SOUTH WILLIAMSPORT 6

By defeating the Mountaineers the Shoremen assured themselves of winning more games than they lost. This has been a standing record ever since Ken Hart took the helm of the Bulldogs.

JERSEY SHORE 12 *Home* TYRONE 13

The Bulldogs wound up their season by their only loss at home. This gave them a season record of six wins and five defeats. And so the Orange and Black gridmen put their equipment in mothballs with these words on their lips—"Wait until next year!"

A gang that played their last football game for J. S. H. S. . . .

J. V. FOOTBALL

This year's J. V. team, under the direction of Coach James Teufel, showed much promise of turning out some excellent material for future varsity teams. Although they did not have an impressive record of wins this year, the team still accomplished its main purpose, which is to give actual playing experience to as many players as possible.

Under fine leadership and with the utmost in team co-operation it is inevitable that the star players and the star teams of the future are made in J. V. teams.

Behold the yearbook staff! We have worked together to produce a yearbook even better than last year's. Our first big job was the subscription drive. Oh, how we struggled to reach that goal and finally had to compromise. Then the march started to get ads from everyone possible. While this was going on, the rest of us were trying to solve the problems that come with layouts, photography, and write-ups. And now we can all proudly say—behold the 1951 yearbook—the first to have a complete record of a school year.

News gathering, organizing, and reading constitute a great part of the work put out by these students. The product, a large section of a page in the local newspaper, brings enjoyment to many townspeople and students.

The editor is Arnella Larson and the assistant editor is Joan Lorsong.

TIADAGHTON HISTORY CLUB

This club is now two years old. It was organized by Mr. Courtney. Our motto is—"Working together for the common good." Our colors are green and gold.

We sponsored the football programs last fall to raise club funds. We sent members to the North Central District conference at Bellefonte.

Our objective is to learn more about the early history of this and surrounding communities. To further this objective this club takes at least one trip each year to a local historical place of interest.

Those silly-sounding Sophomores . . .

CLASS OF 1953

In the fall of '49 we entered high school as timid Freshmen with an enrollment of 165. We chose as our officers:

President	Donald Rozenberg
Vice-President	Neil Klinefelter
Secretary	Carol Overdorf
Treasurer	Peter Kline

With the capable help of Mr. Cook, our adviser, we went through the torture of preparing our Freshmen Class Party for the upper classmen.

We started our second year feeling a little more confident for we were Sophomores. We elected as our officers:

President	Neil Klinefelter
Vice-President	Marilyn Gerhard
Secretary	Terry Lauler
Treasurer	Peter Kline

Our enrollment for this year dropped to 123.

The highlight of our Sophomore year was the selection of our class rings. We were thankful for the guidance of our able class adviser, Miss Wright. Our final important event was the sponsoring of the Sophomore Class Party on February 1, 1951.

Next year we hope to reach the goal of upperclassmen.

TRI-HI-Y CLUB

The Tri-Hi-Y is a club composed of Junior and Senior girls. Anyone in these two grades may belong. Every year the Senior members initiate the Juniors and then they are taken into the club with a very inspiring candle-light ceremony.

Because the Tri-Hi-Y is sponsored by the Young Men's Christian Association, the meetings are held at the local "Y" twice a month. The first meeting is a business one, and the second meeting is a social one. The girls study and discuss problems that teen-agers meet every day.

Our Tri-Hi-Y is a very active organization. We were co-sponsors, with the Hi-Y, for the Thanksgiving Dance. We also had a swimming party at the Lock Haven Teachers College pool and were in charge of the Easter assembly program this year.

The officers are:

President - - - - - - - - - - EDITH LAULER
Vice-President - - - - - - - - - - JANET YOHE
Secretary - - - - - - - - MARY MARGARET HARRIS
Treasurer - - - - - - - - - - HELEN CALHOUN

HI-Y CLUB

The year was started by our big annual initiation. Only 12 of the 15 members nominated went through the initiation and came into the club. This gave us a yearly total of 35 members.

One of the biggest achievements of the year was a Hi-Y play against race prejudice, which was put on in assembly and also in a P. T. A. meeting. The faculty commented on how much they enjoyed the choral. Other activities for this year's very busy club included two hay rides, a magician show by Mr. McIlwain, co-sponsorship of the annual Thanksgiving Day Dance, a swimming party, and wildlife pictures secured by our president from the Game Commission.

A big and active year for the Hi-Y club of "51" was topped off by our annual chicken supper to honor the graduating Seniors.

The "big wheels" are as follows:

President	Lyle Perry
Vice-President	Ronnie Harer
Secretary	Lewie Dingler
Treasurer	Harold Kissell
Chaplain	Ronnie Marks
Sergeant at Arms	Bob Shangraw

1951 BAND

In the year 1926 the citizens of Jersey Shore saw and heard for the first time their high school band. Indeed these citizens were very proud of their band and as the years advanced became even more proud. Some of those same citizens, and many more added to their memories the 25th anniversary of J. S. H. S. Band when 111 members presented their annual concert during the 1950-51 school term.

The concert was only one of the high-lights of the year. Many more were jotted down in real memory books some of which were: The concert at Woolrich for Community Hall opening; the concert for Walnut Street Festival and assembly program; the lead in the combined Pennsylvania Week and Hallowe'en parade; the Lock Haven political parade; the Montgomery parade and mass band concert; the District and State Band Festival; the band and orchestra party; the Lycoming County Band Festival parade; the Memorial Day parade; the Laurel Festival parade at Wellsboro; the Armistice Day parade and the many football games at which the band played and drilled.

The J. S. H. S. Band has always been commended for its neat appearance and fine music. Let's see *you* do your best to keep it growing so that many more successful anniversaries may be recorded.

The operetta presented by the High School Glee Club is an annual event to which everyone looks forward.

This year's operetta was entitled "Waltz Time." In this modern comedy, there is told the story of a struggling young composer, whose greatest aim is to have his beloved waltz published. With the cheers of his sweetheart to encourage him, and the funny antics of his friends, he succeeds in seeing his song presented to the public.

The story ends on a happy note leaving everyone pleased that he went to see this year's operetta.

From the pen of our Class Poet . . .

CLASS POEM

Four years have flown so quickly by
For the Class of '51 at J. S. High
And now for all of us, it seems,
We have at last fulfilled our dreams.

We entered here, a trifle shy
To learn the ways of J. S. High
But as we worked toward our last year,
We realized our hopes were here.

The memories of yesterday
From us, will never fade away,
For when these golden days are gone
The hopes we built will linger on.

We owe so much to all of you
Who helped us make our hopes come true,
And as the fleeting years go by
We'll hold in mem'ry, our Jersey Shore High.

But now we must depart from you
And start for ourselves, a life that is new,
But in our hearts you'll find a sigh
For dear old friends and Jersey Shore High.

—Shirley Miller

CLASS HISTORY

On October 31, 1947 we, the class of 1951, numbering 184, had our first class meeting which was in charge of Mrs. Weiler, our class adviser. The most important event of this term was the Freshmen class party held on February 9, 1948. The party was such a success that the president, Glenn Lehman, called a special assembly to congratulate the students who participated in the entertainment for the party.

To assist Glenn we chose:

Vice-President - - - - - - - - - Tony Mondell
Secretary - - - - - - - - - - Joyce Kelchner
Treasurer - - - - - - - - - - Lorraine Kitchen

In our Sophomore year, our class officers were:

President - - - - - - - - - - Glenn Lehman
Vice-President - - - - - - - - - Carl Pepperman
Secretary - - - - - - - - - - Joyce Kelchner
Treasurer - - - - - - - - - - - Edith Lauler

We entered a float in the Hallowe'en parade which, through the efforts of our talented classmates, won a prize. The high point of our Sophomore year was the choosing of our class rings which we received in May. We held our school party in March with entertainment furnished during intermission by members of the Class of 1951. Our class adviser this year was Mr. Courtney.

Finally we reached the stage in our high school career when we were known as "upper classmen". We elected as officers:

Popular President - - - - - - GLENN LEHMAN
Valuable Vice-President - - - - - CARL PEPPERMAN
Skillful Secretary - - - - - - JOYCE KELCHNER
Tactful Treasurer - - - - - - DOROTHY LEHMAN

With the able assistance of our class adviser, Mrs. Daugherty, our third year in J. S. H. S. moved pleasantly and smoothly.

The "highlights" of this year were many. Most important to us, however, was the Junior Class Play, "Half Past Teen". We sponsored a class party, with entertainment provided by members of the class; won a prize for entering the prettiest float in the Christmas parade; and in May acted as hosts to the Seniors at the annual Junior-Senior Prom.

At last our grand and glorious Senior year put in its appearance. We numbered 131. We elected our class officers as follows:

Powerhouse President - - - - - - LYLE PERRY
Valiant Vice-President - - - - - - GLENN LEHMAN
Scintillating Secretary - - - - - - EDITH LAULER
Terrific Treasurer - - - - - DOROTHY LEHMAN

Our class adviser for the year was Mr. Ross Watts. Our class play, "The High School Mystery", was an overwhelming success. We also held our annual school party. A new feature introduced by the Senior class this year was a gala Christmas Dance.

Our year ended with a bang. We had our annual class day exercises, were entertained by the Juniors at the Junior-Senior Prom, and were guests of the P. T. A. at the class banquet at Salladasburg.

AMY GETTYS, *Chairman*

1915 . . . 36 YEARS YOUR PHARMACIST . . . 1951

We are grateful to our advertisers for their support; our students, faculty, and administration for their co-operation; and to Miss Ann Smith of Paramount Studio and Mr. James Frailey of Grit Publishing Company for their untiring efforts to help us, the Staff, make this a good year book.

We hope you have enjoyed this, the first yearbook to hold a complete record of a school year. We have taken you right through the year, from the first day to the last. Now, as these footsteps leave the school in the same old way, some are leaving forever. Others will return to walk, again, these halls; following old paths and wearing new ones into the traditions of our dear old high.
